Player Safety

Vancouver United Sports Club believes the safety and well-being of our players is of the utmost importance. Our club practices at Practice, Games and of Field are meant to ensure the physical and emotional safety of our players is the top priority.

Concussions and Head Injuries

BC Soccer/ Canada Soccer has recently published its Concussion Policy, which states that “All active members of BC Soccer shall have a Concussion Management Plan for registered players and their families.” The full policy and additional

VUSC No Heading Policy

Related to the above from BC Soccer/ Canada Soccer, SDU has implemented a new policy for our U5-U12 players – Heading will be discouraged in training and be prohibited from game play. This will be accomplished by prohibiting passes head height or above. In the event that a pass exceeds this level an indirect free kick will be awarded to the opposing team. This will have the dual benefit of protecting children's brain health while at the same time improving passing skills.
